fight hunger and give hope. The Virtual Food Drive allows us to help hungry people in our community by donating to the MD Food Bank through UEO's Virtual Food site. Through this internet-based technology, you are able to make monetary donations easier to help us to purchase the food items that are most needed and give to people in need much quicker than the traditional can food drives.

Simply visit www.mdfoodbank.org/AKA to make your donation to help fight hunger and give hope. Then encourage your family, friends, and co-workers help us reach the \$1000 goal!
